

# Frequently Asked Questions - Airport & City Transfer

## **1. How do I book a taxi with Airport & City Transfer?**

You can book online through our website, via our mobile app, or by calling our booking line. All bookings are confirmed by email or SMS.

## **2. Can I book a taxi in advance?**

Yes. We accept advance bookings up to several weeks ahead to ensure your transfer is planned and guaranteed.

## **3. How will I know my driver has arrived?**

You will receive a notification when your driver is en route and another once they have arrived. The notification will include driver and vehicle details.

## **4. What happens if my flight is delayed?**

Contact ACT with any flight delay or cancellation so we can review and agree revised pickup arrangements. A known flight delay is not automatically treated as a passenger no-show.

## **5. Are your drivers licensed and DBS-checked?**

Yes. All of our drivers are fully licensed by Transport for London (TfL) and have passed enhanced DBS checks for your safety.

## **6. Can I cancel or change my booking?**

Yes. If ACT receives your cancellation at least 24 hours before the confirmed pickup time, you receive a full refund. Within 24 hours, reasonable evidenced cancellation losses may be deducted, capped at the booking price and reduced for costs saved or replacement work. Changes depend on availability; any revised price requires your acceptance. Email [info@airportandcitytransfer.com](mailto:info@airportandcitytransfer.com) with your booking reference and telephone +44 208 153 0303 for urgent changes. See our Terms & Conditions for waiting, no-show and refund-processing details.

## **7. What if I've left something in the vehicle?**

Contact our team as soon as possible. Lost items are logged, stored securely for up to 6 weeks, and can be collected or returned by arrangement.

## **8. Do you offer child seats or accessible vehicles?**

Yes. Please request these at the time of booking, and we will do our best to accommodate your needs.

## **9. How do I make a complaint?**

You can submit a complaint via our website or email. All complaints are handled by our Compliance & Customer Experience Officer and responded to within 5 working days.

## **10. Is my personal information safe with you?**

Absolutely. We are fully GDPR-compliant and use encrypted systems to store and protect your data. Please see our Privacy Policy for more details.
